Jessica Townsend.

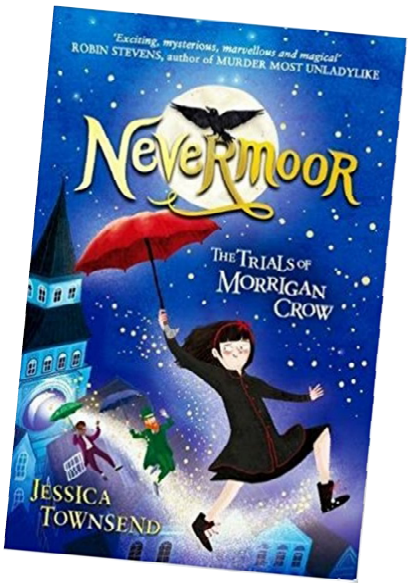
NEVERMOOR: THE TRIALS OF MORRIGAN CROW is her first novel.

"A Harry Potter-esque adventure." And a breath taking and enchanting new series, about a cursed girl who escapes death and finds herself in a magical world--but is then tested beyond her wildest imagination

Morrigan Crow is cursed. Having been born on Eventide, the unluckiest day for any child to be born, she's blamed for all local misfortunes, from hailstorms to heart attacks--and, worst of all, the curse means that Morrigan is doomed to die at midnight on her eleventh birthday.
But as Morrigan awaits her fate, a strange and remarkable man named Jupiter North appears. Chased by black-smoke hounds and shadowy hunters on horseback, he whisks her away into the safety of a secret, magical city called Nevermoor.



Perfect for fans of the Harry Potter series and Neil Gaiman, this fast-paced plot and imaginative world has a fresh new take on magic that will appeal to a new generation of readers
