Dear Parents and Carers,

**Planned Visits for Year 3, 2018-19**

We have a busy calendar of events and activities planned to support our learning in Year 3, and would like to let you know what to expect over the year so that you are able to budget accordingly. The Education Reform Act does not allow the school to charge directly for the cost of these activities, however we would encourage voluntary contributions as we feel these visits will greatly enhance the children's learning. If you anticipate any difficulties with meeting the cost of these visits, please speak to our office staff who may be able to arrange a payment plan to help spread the cost. If you are in receipt of free school meals, the school may be able to help contribute towards some of the cost so please do ask.

Date	Location and description	Approximate cost
