

Off Site Visits Policy 2019-2021

Purpose

- The purpose of this policy is to support the school's commitment to learning outside the classroom while ensuring the safety of all children during visits away from the school. By adhering to the procedures and information within the policy, the potential risks to children's safety whilst on visits are significantly reduced.

Summary

- The school believes that learning outside the classroom is an important part of school life which enhances the school curriculum. We recognise the importance of links within the community and the positive impact that learning outside the classroom can have on children's learning, engagement, social and emotional development, aspirations and general experience of the world around them.
- The school will endeavour to provide a balanced range of learning outside the classroom, including offsite visits, for each year group.
- The school follows the Norfolk Guidance for offsite visits.
- All visits will be subject to clear risk assessment procedures, including the setting of staff and volunteer numbers needed for the visit with regard to the activities, setting and knowledge of the children attending.
- Parental consent will be required for all visits. For local visits, which are a regular feature of the school year, a consent form is signed at the beginning of entry to the school. For all other visits the school will obtain an individual consent form. Parents may withdraw their children from any visit but must contact the Headteacher to discuss this.
- A voluntary contribution may be sought for visits that take place during the school day. The school complies with the law for charging for activities outside of the school day.

A full policy outlining this is available on request from the school office.

Who/what was consulted?

This policy was written by the Headteacher and Educational Visits Coordinator (EVC) based on the model policy from the Local Authority, and in consultation with the Teaching, Learning and Pupil Well-Being Committee.

Relationship to other policies /documents

- Whole School Policy for Safeguarding including Whistle blowing, Touch Policy
- Keeping Children Safe in Education (annual updated guidance)
- Charging Policy
- Ready To Learn Positive Behaviour and Discipline Policy
- Curriculum Handbook
- Water Safety Handbook

Roles and responsibilities

- The Governing Body has given its approval for the school to undertake off site visits and devolves responsibility for the safe organisation of offsite visits to the Head Teacher.
- All staff must ensure that guidelines are adhered to and the online visits booking system is used effectively. All visits must be approved by the Educational Visits Coordinator who will report to the Head Teacher.
- Parents/Carers must ensure that they understand and support the expectations of behaviour on school visits.

Arrangements for monitoring and evaluation

The EVC will monitor the activities taking place in school and is responsible for ensuring an evaluation of each visit takes place. Any incidents that occur on visits will be reported to the Governing Body. Evaluations of visits are stored on Evolve and can be accessed by members of staff to inform future visits. Evaluation of the impact of learning outside the classroom will be measured through annual surveys and evaluations from staff. This policy will be reviewed every three years pending any changes in legislation.

Off Site Visits Policy

Avenue Junior school has formally adopted, through its Governing Body, the Norfolk 'Guidance for Offsite Visits'. www.oeapng.info and as outlined on EVOLVE www.norfolkvisits.org.uk Further procedures have been agreed with the Governing Body to ensure that this policy is adhered to.

Aims and purposes of Offsite Visits

The school/centre has a strong commitment to the added value of learning outside the classroom and beyond the school premises. It will seek to provide a broad & balanced range of Learning Outside the Classroom opportunities for all its pupils.

Each year the school will arrange a number of activities that take place off the school site and out of school hours, which support the aims of the school. The range of activities which the Governing Body has given its approval includes:

- Out of hours Clubs (music, drama, art, science, sport, homework etc)
- School sports teams
- Regular local visits (places of worship, swimming, other local amenities)
- Day visits for particular groups
- Residential visits
- Adventurous Activities.

Approval Procedure

The Governing Body has delegated the consideration and approval of offsite visits and activities to the Executive Headteacher and Head of School (referred to in this policy as 'the Headteacher'). They have nominated the Deputy Head of School as the Educational Visits Co-ordinator (EVC) and the Governing Body has approved this appointment and the EVC has received training by the LA.

Before a visit is advertised to parents the Head teacher and EVC will approve the initial plan. The Headteacher / EVC will also approve the completed plan and risk assessments for the visit before departure. This will be undertaken using EVOLVE as the planning and approval system. www.norfolkvisits.org.uk

The School has agreed a policy for categorising its visits in line with NCC guidance i.e.:

Level 1 - Local regular day visits that have generic risk assessments & standard operating procedures. The school has posted a list of its Level 1 visits (See Appendix I) in the document library of Evolve & will use in-house systems to record & approve such visits. A standard set of operating procedures and general risk assessments exist for these visits.

Level 2 - Day visits (not listed in Appendix I) approved at school level on Evolve by EVC & Head.

Level 3 - Overseas, Residential or Adventurous visits. These visits should be approved via Evolve and the LA's on-line approval gained at least ONE MONTH BEFORE THE VISIT.

Staffing

The school recognises the key role of accompanying staff in ensuring the highest standards of learning, challenge and safety on a school visit.

Staff are encouraged and supported to develop their abilities in organising and managing visits. There will be a system within the school to allow less experienced members of staff to work alongside more experienced colleagues on visits. The selection of staff for offsite visits will be a key priority in the initial approval of any proposed visit. Staff will be suitably qualified and experienced for proposed activities.

The school values and recognises the contribution of volunteer adults and parent helpers assisting with offsite activities and visits. Any volunteer will be approved by both the Head and Visit Leader and is entered on the voluntary helpers list kept by the School. They will be carefully briefed on the scope of their responsibility. Where it is appropriate the school will ensure that DBS screening is available for volunteers.

The appointed Visit Leader will be fully supported in the tasks required to arrange the visit. This will include, as necessary, making time or finances available to conduct an exploratory visit, briefing teachers and/or other staff, accessing training courses, reviewing and evaluating the visit or identifying time when the leader and EVC might work in partnership to undertake planning and risk assessments.

Visit staff will not be under the influence of alcohol or other drugs such that their ability to recognise hazards or respond to emergencies is in any way restricted.

Risk Assessment

The Visit Leader will seek to identify any significant risks from any activity that is under their control and take appropriate steps to ensure all participants are safe. Good practice precautions and safety measures will be taken and this will be recorded in a risk assessment.

External Activity Providers

Where external contractors are involved in organising all or part of the visit, the contract will be made with the school on behalf of the pupils. All payments for the visit will be made through the school accounts.

The Visit Leader will make appropriate checks before committing the school to the contract. This will include seeking assurances about health and safety, and any accreditation and licensing. Wherever possible the school will seek to use holders of the Learning Outside the

Classroom Quality Badge for which no Providers Contracts or other assurance checks are required.

Parental Consents

Additional written consent from parents will not be required for pupils to take part in Level 1 visits as all parents sign a form on entrance to the school to authorise these visits. (Appendix II) For all other off-site visits and activities, the school will require written permission from parents/guardians and a standard letter will be used for this purpose (Appendix III). As part of the parental consent they will be fully informed of the activities and arrangements for the visit. For all residential visits parents will be invited to a briefing meeting where they can ask for clarification of any aspect of the itinerary and organisation of the visit. Parents will also be required to complete form PC/B for all residential visits (Appendix IV).

Data Protection

We plan and manage our educational visits using an online system called Evolve managed by NCC. We request participant and parent/carer information in order that we can look after children on their educational visits. This information may include name, date of birth, parent/carer contact details, home address(es) and medical and welfare information. It may also include Care Plans and assessments of risk for children. We share this information with NCC Educational Visits Service who provide advice, and where appropriate approval of our visits. The right to erasure does not apply as processing is necessary for the following reasons: to comply with a legal obligation and for the defence of legal claims.

For local visits a register will be carried by the visit leader. For visits which are further afield or beyond the school day then medical and welfare information and contact details will also be carried. These details may be on paper or kept electronically. We will endeavour to keep these details as secure as practicable, but still allow access by the visit leadership team should they need to give information to the medical authorities or to contact parents.

When we are planning visits using external providers who will be teaching or instructing children then we may need to share medical and welfare details with them in order that they can receive appropriate care.

The Expectations of Pupils and Parents/Carers

The school has a clear code of conduct for school visits based on the school's 'Ready To Learn – Positive Behaviour & Discipline Policy' and 'Anti-Bullying Policy'. This code of conduct will be part of the condition of booking by parents/carers. Pupils, whose behaviour is such that the Visit Leader is concerned for their safety, or for that of others, can be withdrawn from the activity once a risk assessment has been carried out to show the risk is too high despite all precautions that may be taken. The school will ensure that it meets the requirements of the Equality Act 2010. If pupils misbehave on a residential visit, the Visit Leader will consider whether such pupils should be sent home early and parents will be expected to cover any costs of the journey home.

Emergency Procedures

The school will appoint a member of the Senior Management Team as the emergency contact for each visit. All major incidents should immediately be relayed to this person, especially those involving injury or that might attract media attention.

The Visit Leader will leave full details of all pupils and accompanying adults on the visit with the emergency contact, including the home contact details of parents and next-of-kin, as appropriate.

All incidents and accidents occurring on a visit will be reported back and recorded following normal school procedures for reporting and investigating accidents.

Review by the Local Authority

The school is supported in its arrangements for offsite visits by the County Council. Where necessary the school will seek advice from the Adviser for Outdoor Learning.

All visits that involve an overnight stay, going abroad and any that involve adventurous activities will be notified to the LA prior to departure. The LA will provide an independent reassurance check of the plan and the precautions and safety measures that will be taken. Some sample monitoring will also be undertaken by the LA & the school agrees to facilitate this when & where required. Any advice provided will be fully considered prior to the trip taking place.

Charging Policy for Activities and Visits

The school may invite, but not require, parents to make voluntary contributions for school activities in order to enhance what is otherwise provided. There is no obligation to contribute and pupils will not be treated any differently according to whether or not their parents have made a contribution.

The level of contribution will be calculated for each activity and may include, for example, an element to cover the participation by young people from low-income families. An activity/visit might not take place unless enough contributions are received.

The school will comply with the law in relation to charges that may be made for the cost of activities provided outside school hours, within school hours and for board and lodging on residential courses.

The school has a clear policy for the charging of educational visits as outlined in the Charging Policy which can be found on the school's website.

Transport

The school will ensure that children are transported to and from off-site locations in accordance with Norfolk County Council policies. The following modes of transport will be used :

Walking: Where appropriate, children will walk to off-site locations where the distance and weather are deemed acceptable. They will walk in pairs in 'crocodile' fashion. Visits may have to be cancelled if an active risk assessment results in unacceptable risks being taken, i.e. blocked roads/severe weather. Routes will be planned before the visits.

Minibus: The school has its own minibus which will only be driven by staff holding the relevant license and who are insured under the Norfolk County Council insurance.

Coach/private hire: For larger groups and distances where it is deemed necessary, private hire vehicles will be used.

Own Cars/Volunteer cars: Staff and volunteers willing to drive their own vehicles must complete a 'Private car form' (Appendix V) confirming that they hold the relevant insurance and that their car is road worthy. In addition, the school will ensure that any adult driving children on their own hold a current DBS check. This policy only applies to transport arranged by the school. Where transport has been arranged privately by parents, the responsibility for ensuring the roadworthiness of cars and insurance level of drivers is not the responsibility of the school.
