Dear Parents/Carers

Y6 Residential Visit – Norfolk Lakes

The visit taking place next week at Manor Adventure, Norfolk Lakes will go ahead as planned. This decision has been made following guidelines from the DFE which can be found below. We have also consulted Manor Adventure and have been reassured by the preventative measures they have in place which are representative of Public Health England guidelines. These include enhanced facilities for handwashing, a thorough cleaning regime of communal areas, toilets, frequently touched surfaces and objects (door handles, light switches, tables etc.) by Manor Staff. They also have provision of a quarantine room should a child fall ill during this time and a robust plan for action in this circumstance. All of these measures reflect our expectations. We will be taking additional soap, hand towels and tissues with us.

We do understand if you do not wish your child to attend the residential and they should then attend school as normal. Unfortunately we cannot refund the cost of the visit as this would not be covered under insurance for either the school or Norfolk Lakes.

In line with the current guidance from Public Health England if you child develops a new continuous cough or a high temperature please do not send them on the residential or to school.

We will keep in regular contact with the Y6 team throughout the visit and update you as necessary.

Yours faithfully

Mike Hooper
Head of School

Debbie Dismore
Executive Headteacher
