Dear Parents and Carers of Year 2 children

Y3 Admission for September 2021

We hope that your child/children have made a smooth, successful transition back into school this Autumn. It must seem very strange that no sooner have they returned that you are now beginning to look for their Junior School for next September!

Normally we would be welcoming you into school where you and your child/children could visit classrooms, meet pupils and teachers and become familiar with what Avenues has to offer. Unfortunately, in the current circumstances this will not be possible. However, we have a number of ways in which to help you gather the information you will need to make that incredibly important decision for a junior school place for your child/children.

1. **Prospectus** Included with this letter is a prospectus of the school and we very much hope that come September 2021 we will be able to return to our full offer of activities and opportunities.
2. **The website** www.avenuejuniorschool.org will give you an insight into the life of the school and by the end of next week you will also be able to view some short videos giving you a tour of the school and sampling activities and information from the year groups and some key staff.
3. **Remote Information Evening on Monday 16th November at 6pm.** This will be your chance to 'meet' with ourselves, key staff and the Year 3 lead to hear more about the school and ask questions. We will hold this meeting using 'Microsoft Teams' which can be accessed by clicking on the link below:

We very much look forward to meeting you all at the meeting. If after the meeting you have any specific questions about your child, we would be more than happy to contact you individually to talk these through. We hope that you decide that Avenues is the place for your child. Next Spring/Summer term there will hopefully be opportunities to visit the school and make preparations for the coming year. We look forward to welcoming you.

With very best wishes
