Dear children,

We wanted to say a huge 'well done' for how hard you have worked over the lockdown period. Some of you have been in school but many more of you have been learning at home. We have missed you all and are very, very excited to be welcoming you back on Monday 8th March.

School will be organised in the same way as it was in the Autumn term before Christmas but the good news is that it might not be so cold with the doors and windows open now that we are in Spring!

There are a few things to remember:

- Only bring things to school that you absolutely need - no teddies or toys (that includes staff too!)
- Always stay at least 2 metres from people in other bubbles and try your best to keep a similar space between other people in your class bubble. We know that this is sometimes tricky!
- Wash your hands regularly with soap.
- Be kind - we have all had different experiences in lockdown and some of us may feel a little more stressed than usual. Many of us will just feel ok; however you are feeling, it's fine! Feelings pass and change all the time. If you want to talk about how you're feeling, speak to one of us at school so we can help.

There are some rules that **MUST** be followed:

- You need to follow all the instructions issued by all the adults in school at all times
- You need to stay in your seat in your class at all times unless an adult tells you that you can move
- You need to wash your hands when you are told to by the adults
- You must never share your food or drink.
- It is very important that you must not deliberately cough, sneeze, spit or breathe in the direction of any other person.
- If we all work together and we all follow the rules we can keep each other safe.

We are really looking forward to you all coming back and can't wait to see you.

Best wishes,

All the staff at Avenues!
