

Autumn 2 Year 4!

The first half-term

The children have all had a wonderful first term in Year 4. They have settled in the routines and expectations of being the older year group in Lower Key Stage 2 exceptionally well. Our topic last half-term was 'Extreme Earth'. We learned about volcanoes and earthquakes explored a range of different skills, including how to make earthquake-proof buildings! This half-term our topic is 'Seeking Sanctuary'. Please see the curriculum map for more information.

Reading at Home

While we don't assign formal homework in the school, please put some time aside if you are able to read for at least 10 minutes a day with your children. Children who read regularly at home develop a richer vocabulary, better imagination and can access a lot more of the curriculum independently. We fully understand that it is not always possible and there will be days when your child does not want to read. On those occasions, your reading to them can continue to develop the positive relationship with reading that we want to develop.
