## Summer 1

Welcome back everyone!

We hope you have all had a lovely Easter break and are raring to go for the Summer Term!

Our topic this half term will explore what influences our community. We will find out how Norwich has been influenced by The Strangers, and how industry and population has changed over time. A visit to Norwich for a Geography Field Study during the Year 6 SATs week, will help to enhance the children's curriculum learning.

We will be continuing to use Class Dojo for many of our communications this year, so please do keep your eye out for any important information and dates.

### The Year 5 Team

5T – Mr Thornton & Mrs Nori

5B – Mr Barber & Mr Powley

5MP – Mrs Margetson, Mrs Pereira, Miss Jones & Miss Halliday

5G – Miss Gray, Mrs Milne & Miss Maas

If you need to speak to any of us, please don't hesitate to do so.

### Eaton Vale visits

During the Year 6 SATs week, 5T & 5B will visit Eaton Vale on Tuesday 9<sup>th</sup> May, with 5G & 5MP attending on Thursday 11<sup>th</sup> May.

On Wednesday 10<sup>th</sup> May, 5T & 5B will go on the Geography Field Study to Norwich, with 5G & 5MP going on Friday 12<sup>th</sup> May.

### Reading at Home

Please encourage your child to continue to read a wide range of different texts at home. Fifteen minutes each day makes a huge difference to the children's learning and is never wasted time!

### Curriculum

An outline (curriculum map) of the learning in Year 5 will be sent home at the start of each half term. Some optional homework ideas will also be provided – please continue to share what you've been up to on Class Dojo as we love to see it.
