

Year 6: Summer 1

Recap of Summer 1

We hope you enjoyed the Easter holidays. Year 6 is continuing to make significant progress across the curriculum.

A highlight of the term was our days at Residential or engaging in different activities at school. Every child showed resilience; many overcame fears to engage in the activities. They all aspired for themselves and others, boosting each other to be their best version. Also, they respected each other and the adults looking after them. Thank you so much to the children. They were amazing! More photos to follow soon!

What's coming up in Summer 1?

For the first few weeks, we will focus on recapping key English and Math areas. In English, we are continuing our book Holes, with our first piece of writing being narrative written in the author's style. Maths will be centred on place value, calculations, and fractions, with problem-solving embedded throughout.

In May, there will be SATs tests for Mathematics, Reading, Grammar, Spelling, and Punctuation. We know how hard the children have worked throughout the year. We are very proud of them all. If you have questions or concerns, don't hesitate to get in touch with our class teacher.

Home learning

We expect our Year 6 pupils to read at least 15 minutes, five times per week. We would appreciate somebody at home asking questions regarding what they have read to help their understanding. We expect Year 6 to complete sections each week of both a Grammar/Punctuation and Maths workbook. This is to support learning and prepare them for secondary school. If you have any questions, please ask your child's teacher.

P.E. uniform

For PE, children are expected to wear a white t-shirt or polo-shirt, black bottoms (shorts, leggings, jogging bottoms) and trainers. School jumpers can be worn for P.E. if lessons are taking place outside.

Curriculum map

As you will notice, our curriculum map is the same for Spring 2 and Summer 2. This is to ensure we cover everything in enough detail.
