

Our Multilingual Community

We are proud to be a multicultural multilingual school and love to share and celebrate the languages spoken in our community.

This word cloud shows the languages spoken by our families. The larger the name of the language, the more speakers of it we have. If a language is missing, please let us know!

39 languages

19% of our pupils

If we don't already know, please tell us the languages that are important to your child/children.

Your child is classified as having English as an Additional Language if, 'they are, or have been, exposed to a language at home that is other than English.' You can tell the office or let us know here:

You are invited to record a short video of your child/your family sharing a greeting in a language which is important to you and send it to Mr Rose-Brown via the office.
