

Summer term in Year 5!

Spring 2:

Our topic of Crime and Punishment was fantastic – it was great to bring this altogether in our trip this week to the Tower of London. We saw

influences on our topic book, Black Powder, while we were there and a lot of the history that we were studying.

Community!

Our topic this half term is focused on the immediate area around our school and Norwich, as well as looking further afield to other parts of Norfolk, the United Kingdom, and areas around the world.

This topic will build on the learning from the previous half term, allowing us to make links to what life used to be like at Avenue Junior School when it was first built and the similarities and differences to our school community now.

PE Days

5BRB – Thursday.

5C – Tuesday and Thursday.

5G – Tuesday and Thursday.

5U – Monday and Thursday.

Children are expected to wear:

- A plain white/blue/black top (polo or t-shirt)
- Black shorts or leggings or jogging bottoms
- Trainers that provide your child with good stability.

Children should come to school on P.E. days dressed in their kit. On colder days, children need to wear a jumper and bring their coat too. This can be a school jumper or a plain blue, black or grey top.

Water bottles and snacks

Please ensure that all children have a named water bottle in school. Children are allowed to bring in a healthy snack for morning break (no nuts or kiwi).

Learning at home

We ask that you spend 10-20 minutes each day reading with your child. The benefits of this are wide-ranging in helping their vocabulary and knowledge of the world. If you need books at home, please speak to us and we can support you with finding books.

It is important for pupils to continue practicing their times tables at home to build on their learning from last year. This will help them with new learning this year to link their understanding. This could be written, verbally or through playing TTTRS.

Curriculum Map

A curriculum map will be sent out via email and ClassDojo and is also available on the school website. The curriculum map provides you with a brief overview of our learning for this half term. If you can support any of our topics in anyway at all, please chat to your child's teacher or send them a message on ClassDojo.
