Cooking

As the school year begins to wind down, there should be some space in our busy curriculum to do some cooking! We have a great variety of healthy meals, snacks and treats planned out!

We will send the children home with recipe cards for all of the things they cook and we hope that they will be able to cook at home too!

PE and Swimming

At the moment, there have been no changes to the PE days from last half term. Please help remind children about bringing their kits! It is disruptive to lessons and children's learning when they haven't got the correct kit.

For swimming this half term we will be focussing on those children who still need a little extra support to be able to confidently swim 25m. Letters have been sent home this week to those children involved in this.

Time Flies When You're Having Fun!

It doesn't seem too long ago that I was welcoming you all to Year 5, yet here we are with only 7 weeks left until the summer holidays! We've squeezed in lots of exciting events so far this year and that's certainly not going to change this half term! We have Sports Day, Charities Week, School Musicals and many more things to look forward to!

Let's hope everyone is feeling fresh, enthusiastic and ready to learn! Welcome back!

Enterprise Project—Hired or Fired?

We have some real potential entrepreneurs in the year group already! With only 2 weeks left until their presentations to the Dragons, groups will be finishing off their puppets, designing some practical and beautiful packaging as well as finalising all of their finances. The professionalism and maturity shown by the children has been excellent so far. I look forward to seeing each of the presentations and deciding who will be Hired or Fired!

The Mysterious Mayans

After the conclusion of our Enterprise Project, we will be studying the ancient Mayan civilisation. Children will explore a variety of themes linked to this topic including the chronology of this great civilisation, food and farming, religion and sacrifice!

Whitwell Hall Camping Trip

I'd like to take this opportunity to thank the children for their fantastic attitude and behaviour whilst at Whitwell Hall. They took part in each of our activities with enthusiasm and excitement and they all worked brilliantly in their groups. There was such a positive buzz around the campsite and the fact we had almost the entire year group there made it extra special.

They were a real credit to our school!

The Year 5 Team

Daniel Lowe, Steve Chambers, Alice Knights, Dawn Jones, Baiba Zivtins.
