What is No Outsiders?

The No Outsiders scheme of learning brings more than 24 picture books into the classroom as a stimulus for learning. Each half term, each year group will study at least one No Outsiders book. These books support us to make children feel they belong in school. We say there are "No Outsiders" here because everyone is welcome; we talk about our differences, and how to create a culture of welcome for everyone.

Why are we focusing on difference?

We are focusing on belonging and we talk about difference as a positive thing, not a negative thing. In the 2020s in the UK we are all different and this work prepares children for life in modern Britain and furthermore for life as global citizens. We want all children to know who they are, feel confident and know they belong in school.
