Year 5 - Spring 2

Spring 1:

The children engaged brilliantly with our topic last half term: Our Community. Through lessons, we explored the importance of community to humans all over the world, with a link to our school values. The children engaged well on our trip to Norwich Central Mosque and enjoyed carrying out fieldwork surveys on our walk back to school. They also created some fantastic tesselations in art which represent their own communities.

Space

Our topic this half term unpicks the following question: Who are the hidden, or not so hidden, figures in space?

We are learning about the planets, phases of the moon and the development of the solar system **in science**. In English, we will be writing biographies about inspirational women who contributed significantly to the space race.

PE Days

5RB – Monday and Tuesday

5G – Monday and Wednesday

5K – Monday and Wednesday

5SB – Wednesday and Thursday

Children are expected to wear:

- A plain white/blue/black top (polo or t-shirt)
- Black shorts or leggings or jogging bottoms
- Trainers that provide your child with good stability.
- A plain black, blue or grey jumper (or a school jumper)

Swimming

Detailed information about swimming can be found on individual Class Dojo stories. Class teachers have also directly messaged each child's swimming group with specific details.

Learning at Home

We do ask that you spend 10-20 minutes each day reading with your child. The benefits of this are wide-ranging in helping their vocabulary and knowledge of the world. If you need books at home, please speak to us and we can support you with finding books.

It is really important for pupils to continue practicing their times tables at home to build on their learning from last year. This will help them with new learning this year to link their understanding. This could be written, verbally or through playing TTTRS.

Curriculum Map

A curriculum map will be sent out via email and Class Dojo and is also available on the school website. The curriculum map provides you with a brief overview of our learning for this half term. If you can support any of our topics in anyway at all, please chat to your child's teacher.
