Year 5 - Summer 1

Spring 1:

The children engaged well with our space topic and were blown away by the size of space. They particularly enjoyed learning about the phases of the moon using oreos and would no doubt love to try this at home!

Crime and Punishment

This term our topic is Crime and Punishment. We will be learning about Crime and Punishment throughout different periods in history: Anglo-Saxons, Victorians, as well as during WW2. We will be discussing the similiaries and differences throughout the years and using our text Black Powder to inspire our writing in English.

Swimming

Detailed information about swimming can be found on individual Class Dojo stories. Class teachers have also directly messaged each child's swimming group with specific details.

Learning at Home

We do ask that you spend 10-20 minutes each day reading with your child. The benefits of this are wide-ranging in helping their vocabulary and knowledge of the world. If you need books at home, please speak to us and we can support you with finding books.

It is really important for pupils to continue practicing their times tables at home to build on their learning from last year. This will help them with new learning this year to link their understanding. This could be written, verbally or through playing TTTRS.

Curriculum Map

A curriculum map will be sent out via email and Class Dojo and is also available on the school website. The curriculum map provides you with a brief overview of our learning for this half term. If you can support any of our topics in anyway at all, please chat to your child's teacher.
