Year 6: Summer 1

Recap of Summer 1

We hope you enjoyed the Easter holidays.

A highlight of the term was our Residential visit to Norfolk Lakes. Every child showed resilience and many overcame fears to engage in the different activities.

The children all showed high levels of aspiration for both themselves and others, boosting each other to be the best version of themselves.

They also respected each other and the adults looking after them. Thank you so much to the children. They were amazing and a real credit to the school!

What's coming up in Summer 1?

For the first few weeks, we will focus on recapping key English and Maths areas in preparation for our SATS.

In English, we are starting our book Holes, with our first piece of writing being a travel review of Camp Green Lake. Maths will be centred statistics and shape, while also recapping place value, calculations, and fractions.

In May, there will be SATs tests for Mathematics, Reading, Grammar, Spelling, and Punctuation. We know how hard the children have worked throughout the year. We are very proud of them all. If you have questions or concerns, don't hesitate to get in touch with your child's class teacher.

Important information

SATs week:

Monday 11 May – Thursday 14 May.
Over this period, pupils will sit 6 different tests, with English taking place at the beginning of the week and Math at the end.

Please contact your child's class teacher if you have any questions or concerns regarding this.

Sports Day

Our Sports Day for Year 5 and 6 this year will be on Tuesday 19th May. Lower School Sports Day will be on the 18th. We are in the process of finalising arrangements and we will share timings for this soon.

Home learning

We expect our Year 6 pupils to read at least 15 minutes, five times per week. We would appreciate somebody at home asking questions regarding what they have read to help their understanding.

We expect Year 6 to complete sections each week of both a Grammar/Punctuation and Math workbook. This is to support learning and prepare them for secondary school. If you have any questions, please ask your child's teacher.

P.E. uniform

For PE, children are expected to wear a white t-shirt or polo-shirt, black bottoms (shorts, leggings, jogging bottoms) and trainers. School jumpers can be worn for P.E. if lessons are taking place outside.
